

# ICCMME 2018

Singapore | January 26-28, 2018

2018 3rd International Conference on Composite Materials and Material Engineering

## Conference

ICCMME provides a forum for accessing to the most up-to-date and authoritative knowledge from both industrial and academic worlds, sharing best practice in the field of Composite Materials, Materials Processing and Material Engineering. The meeting will provide an opportunity to highlight recent developments and to identify emerging and future areas of growth in this exciting field.

2018 3rd International Conference on Composite Materials and Material Engineering (ICCMME2018) will take place in Singapore during January 26-28, 2018. The conference program covered invited, oral, and poster presentations from scientists working in similar areas to establish platforms for collaborative research projects in this field. This conference will bring together leaders from industry and academia to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects and exploiting new technology in this field.

## Important

### Dates

**Submission Deadline**

**September 25th, 2017**

**Notification of Acceptance**

**October 15th, 2017**

**Registration Deadline**

**November 05th, 2017**

**Conference Dates**

**January 26-28, 2018**

## Keynote Speaker

**Prof. LU Li**

**National University of Singapore, Singapore**

**Prof. Hao Gong**

**National University of Singapore, Singapore**

**Prof. Xiaohong Zhu**

**Sichuan University, China**

Authors are invited to submit a full paper, and papers should be write in English. Topics of interest include, but are not limited to:

- Additive manufacturing
- Bio-based composites
- Ceramic matrix composites
- Damage and fracture
- Experimental techniques
- Fibers and matrices
- Health monitoring
- Infrastructure
- Joint and bearing behaviour

## Themes and Topics

Ms. Silvia Li

Monday - Friday: 9:30 am - 6:00pm
